WELCOME, CLASS OF 2019 AND TRANSFER STUDENTS!
Tufts Undergraduate Orientation is a week designed to show you what Tufts has to offer. This week marks the beginning of an important journey you will never forget. On this hill, you will find professors who will inspire you, build friendships that will stay with you forever, and create memories to treasure for life. The Tufts experience is about growing as an individual and as a member of the larger campus community. During Orientation, you will learn about some of the University’s most important lessons and traditions. This week is also about making connections. Take the time to connect with your peers, your advisors, and your University. Some of the bonds that begin here are sure to last throughout your time at Tufts and even long after. Welcome to the Hill!

During Orientation, you will . . .
- learn about what Tufts University has to offer;
- meet with Orientation Leaders who will introduce you to university resources and answer your questions;
- form friendships with your peers and learn more about yourself in the process;
- collaborate with your academic advisor to assess your academic skills and prepare for the responsibility of making choices about your education;
- meet with faculty and staff members and explore the breadth of your educational opportunities;
- learn about the many cocurricular activities offered by Tufts’ student organizations and athletics programs.

This calendar lists all events and activities happening during Orientation week. Please take some time to review the calendar and make note of the events you will be attending. While all programs are important, many of the programs are mandatory. All mandatory programs are highlighted with a **SHADOW BOX.** Please bring your Tufts ID to all mandatory events. Many programs are repeated and assigned by your Orientation group. Descriptions of all programs are listed in the glossary at the end. For the most up-to-date information and schedule, please download the Tufts Orientation Guidebook.

Orientation reflects what your life at Tufts will be:
*Intellectually stimulating and rich in experience.*

CLASSES BEGIN TUESDAY, SEPTEMBER 8.
HAVE A GREAT SEMESTER!
**Academic Essentials**
Meet your Academic Deans and College Transition Advisors (CTAs), who will discuss ideas to keep in mind as you plan your first semester program, including graduation requirements. You will hear about how to explore your options without closing doors on potential majors and how to utilize the Academic Resource Center and view a walkthrough of the online registration process. Afterwards, you will learn about the various resources available to keep a peace of mind during your academic career, courtesy of Counseling and Mental Health Services.

**Academic Integrity Workshop**
All entering students must attend one of the workshops offered. As college students, you are entering an intellectual community with high expectations about your abilities to synthesize, summarize, and cite research in your writing. Join in a lively, interactive discussion with Tufts Writing Fellows about how to use sources wisely and avoid dangerous pitfalls. If your appointment with your advisor is at the time your group is assigned to attend, meet with your advisor and attend a different session.

**Art Gallery**
The Tufts University Art Gallery is located in the Aidekman Arts Center at 40 Talbot Avenue. Please make sure you stop by for a visit after the gallery opens on September 10. The Gallery hours are Tuesday through Sunday from 11:00 a.m. to 5:00 p.m. and Thursday from 11:00 a.m. to 8:00 p.m. Information can be found at www.artgallery.tufts.edu.

Pen, Paint, and Pretzels (3Ps) Presents: The Few
Written by Samuel D. Hunter; Directed by Kellyn Henthorn A’16
Old grief and new uncertainty come to a head in a disheveled trailer parked somewhere in Idaho—a trailer that has for at least 10 years served as the office of The Few, a newspaper for truckers. Bryan, a founder of The Few, returns to his trailer after disappearing four years prior, grudgingly ready to reclaim his paper and perhaps his pride. But he finds that his ex-girlfriend, QZ, has a new business plan and a new hire (Matthew) running the newspaper that used to mean everything to him and his friends. The three characters try to fit Bryan into the paper’s new scheme, but secrets, grudges, and an answering machine filled with the voices of The Few make it difficult to resume work as usual. Trigger warning: mentions of suicide.

**Torn Ticket II Presents: 35mm**
*Written by Ryan Scott Oliver; Directed by Micaela Slotin A’17*
A picture is worth 1,000 words—what about a song? In *35mm*, a series of photographs each inspire a unique song, moments frozen in time. A prom queen candidate bent on victory systematically murders her competitors, a teenage boy wanders through a delusional dreamscape, and a couple declare their love for each other through unconventional means—all captured, just for a moment, on film. With brutal honesty and a comedic twist, *35mm* explores how art strives to capture life, in all its beautiful, messy glory. Trigger warning: mentions of abuse and suicide.
