The five Pre-Orientation Programs are CAFÉ (Conversation, Action, Faith & Education), FIT (Fitness and Individual Development at Tufts), FOCUS (Freshmen Orientation CommUnity Service), GO (Global Orientation), SQUAD (Student’s Quest for Unity in the African Diaspora) and TWO (Tufts Wilderness Orientation). 3. **I need to make travel arrangements, when will I find out if I have been accepted to a Pre-Orientation Program?**
   Decisions regarding your acceptance to a Pre-Orientation Program will be sent out through e-mail on June 15, 2016. Unfortunately we are unable to guarantee acceptance into a specific program however we can tell you that in the past students who wanted to participate in Pre-Orientation had the option of one of the four programs.

4. **I am only interested in participating in one of the programs. What happens if I do not get in?**
   Each program has a maximum number of participants. Unfortunately due to the specifics of each program we are unable to significantly increase the maximum participant numbers. If you are only interested in one program and you do not get in, you will be placed on a waiting list. Should a spot open in that program we will contact you. Should you not get into your first choice program and you indicated on your application a second or even third choice then you may be assigned to one of those programs.

5. **How is selection determined?**
   Registration deadline is June 1, 2016. Selection is done by a random selection process. SQUAD participants will be selected on an application process.

6. **Can I be assigned to a program and be on a waiting list for another program?**
   No, once decisions go out you have three choices: To remain in the program you have been assigned, to be on a waiting list for a program or to reject your program assignment and not choose to remain on a waiting list.

7. **Can I be on a waiting list for a specific program, and then eventually if I do not get off the waiting list, then decide to go into another program?**
   Yes, you can do this as long as there is still space in the program you want to move in to.

8. **How do I confirm my acceptance/pay for spot?**
   Once you are accepted to a program, you must pay the program fee by July 6, 2016 in order to confirm your spot. If you do not pay by July 6, 2016 you will be removed from that program’s list and your spot will go to someone on the waiting list. Payment is on-line through a credit card. Should you not be able to pay with a credit card please contact the Pre-Orientation Office so that we may discuss other payment options with you.
9. Is there financial assistance available to help with the program costs?
Yes, should you receive financial aid from the University; the cost of your Pre-Orientation program will be based on the percentage of aid you receive. This award in no way affects your overall University financial aid package. When you receive your acceptance to a program you will receive information on how much you owe and a link to pay on-line. If you would like to know your specific costs ahead of time please contact the Pre-Orientation Office at preorientation@tufts.edu.
